SC Office of Resilience ARPA-funded Stormwater Infrastructure Program

SOUTH CAROLINA OFFICE OF RESILIENCE

The South Carolina General Assembly appropriated American Rescue Plan Act (ARPA) funding to the South Carolina Office of Resilience (SCOR) for projects that **will lessen the impact of flooding**. Through SCOR's Stormwater Infrastructure program, \$55 million is available to counties, cities, and towns to carry out stormwater infrastructure projects.

Who can apply?

Counties, cities, and towns in all 46 counties of South Carolina are eligible to apply. Projects can be state-run or run by the subrecipient. SCOR does not require a local cost share.

What types of projects are eligible?

- New storm sewer pipes
- Upsize/replace existing storm sewer pipes
- Culverts
- Ditches

GREY INFRASTRUCTURE

- Curbing
- Catch Basins
- Other traditional conveyance solutions

- Rain Gardens
- Stormwater Planter Boxes
- Bioswales

GREEN INFRASTRUCTURE

- Stormwater Tree Trenches
- Infiltration Trenches
- Stormwater Wetlands
- Pervious Surfaces
- Other innovative nature-based solutions

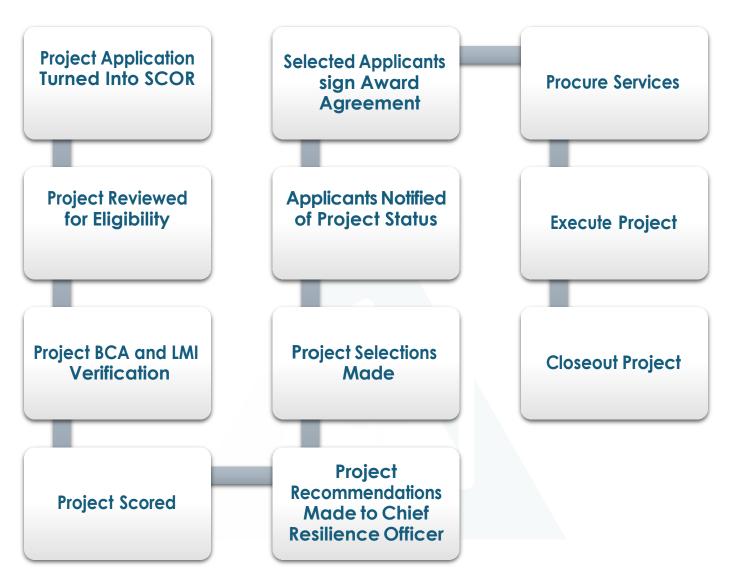

Apply September 1 – October 31 at SCOR.SC.GOV/ORPO
