- 2.2. **Federal Pre-award Authority.** The Parties acknowledge that the State has the power to expend funds under this Grant Contract in accordance with applicable federal pre-award authority, Federal pre-award authority is a system under which recipients of federal grant money may incur certain project costs before the final approval of a federal grant and may retain eligibility for subsequent reimbursement after grant approval. The payment obligations of this Grant Contract may be predicated wholly or in part on the State's exercise of federal pre-award authority. By accepting the terms of this Grant Contract, the Awardee acknowledges the following:
 - A. With regard to the Awardee's activities prior to the Effective Date of this Grant Contract, only those activities which meet all of the following requirements shall be considered for reimbursement:
 - i Activities that are reasonably related to the Scope of Services;
 - ii Activities in whose absence the Scope of Services could not be completed or performed; and
 - iii Activities that meet the relevant federal agency's requirements for reimbursement under federal pre-award authority,
 - B. The Awardee understands the federal pre-award authority system and its relation to this Grant Contract.
 - C. Pre-award authority is not a legal or implied commitment that the work contemplated in this Grant Contract will be approved for federal assistance or that a federal agency will obligate funds. Furthermore, it is not a legal or implied commitment that all items undertaken by the Awardee will be eligible for inclusion in a federally funded project.
 - D. It is the Awardee's responsibility to ensure its own compliance with the policies and requirements of the relevant federal agency with regard to the goods or services contemplated in this Grant Contract. The Awardee assumes all risk and is responsible for ensuring that all conditions are met to retain eligibility for federal reimbursement via grant.
 - E. To the extent that this Grant Contract is funded through federal pre-award authority, the State's obligations under Section 3 of this Grant Contract shall be void in the event that any of the following occur:
 - i The Awardee fails to comply with the grantor federal agency's policies and regulations;
 - i The relevant federal agency fails or refuses to finalize a grant; or
 - ii The federal agency refuses to reimburse specific expenses incurred under pre-award authority.

3. PAYMENT TERMS AND CONDITIONS:

- 3.1. Maximum Liability. In no event shall the Maximum Liability of the Grantor State Agency under this Grant Agreement exceed \$9,964,190 and no/ 100 (\$) ("Maximum Liability"). The Grant Budget attached and incorporated as Attachment A is the maximum amount due under this Grant Agreement. The Grant Budget line-items include, but are not limited to, all applicable taxes, fees, overhead, and all other direct and indirect costs incurred or to be incurred.
- 3.2. Compensation Firm. The Maximum Liability of the Grantor State Agency is not subject to escalation for any reason unless amended. The Grant Budget amounts are firm for the duration of the Grant Agreement and are not subject to escalation for any reason unless amended, except as provided in section 3.4.
- 3.3. Payment Methodology. The Awardee shall be reimbursed for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the Maximum Liability established in section 3.1. Upon progress toward the completion of the Scope, as described in section 1 of this Grant Agreement, the Awardee shall submit invoices prior to any reimbursement of allowable costs. Invoices must be submitted as a part of the quarterly progress report.
- 3.4. Grant Budget and Revisions to Grant Budget Line-Items. Expenditures, reimbursements, and payments under this Grant Agreement shall adhere to the Grant Budget.
- A. The Awardee may vary from a Grant Budget line-item amount by up to twenty percent (20%) of the line-item amount, provided that any increase is off-set by an equal reduction of other line-item amounts. The net result of any changes to Grant Budget line-item amounts shall not result in funding for a line-item that was previously funded at zero dollars (\$0.00) or increase the total Grant Agreement amount detailed by the Grant Budget.
 - B. The Awardee may request in writing Grant Budget line-item revisions exceeding the limitation set forth in section 3.4.A., above, giving full details supporting the Awardee's request, provided that such revisions do not result in funding for a line-item that was previously funded at zero dollars (\$0.00) and do not increase the total Grant Agreement amount. Grant Budget line-item revisions may not be made without prior, written approval of the State in which the terms of the approved revisions are detailed. Any approval of a revision to a Grant Budget line-item greater than twenty percent (20%) shall be superseded by a subsequent revision of the Grant Budget by Grant Agreement amendment.
 - C. In the unlikely event of an increase in the total Grant Budget, any increase in the total Grant Agreement amount shall require a Grant Agreement Amendment.
- 3.5. Disbursement Reconciliation and Close Out. The Awardee shall submit any final invoice and a grant disbursement reconciliation report within sixty (60) days of the Grant Agreement end date and in form and substance acceptable to the Grantor State Agency.
- A. If total disbursements by the Grantor State Agency pursuant to this Grant Agreement exceed the amounts permitted by section 3, payment terms and conditions of this Grant Agreement, the Awardee shall refund the difference to the Grantor State Agency. The Awardee shall submit the refund with the final grant disbursement reconciliation report.
 - B. The Grantor State Agency shall not be responsible for the payment of any invoice submitted after the grant disbursement reconciliation report. The Grantor State Agency will not deem any Awardee costs submitted for reimbursement after the grant disbursement reconciliation report to be allowable and reimbursable by the Grantor State Agency, and such invoices will not be paid.
 - C. The Awardee must close out its accounting records at the end of the Term in such a way that reimbursable expenditures and revenue collections are not carried forward.

- 3.6. Indirect Cost. The Awardee may not request reimbursement for indirect costs. The State will not reimburse the Awardee for indirect costs because all costs accrued by the Awardee are classified as Activity Delivery Costs. The Awardee is not entitled to administrative costs given the design of this program.

4. STANDARD TERMS AND CONDITIONS:

- 4.1. Required Approvals. The Grantor State Agency is not bound by this Grant Agreement until it is signed by the agency head, or his or her designee, of the state agencies that are parties to this Grant Agreement.
- 4.2. Modification and Amendment. This Grant Agreement may be modified only by a written amendment signed by all parties and approved by the officials who approved the original Grant Agreement and, depending upon the specifics of the Grant Agreement as amended, any additional officials required by South Carolina law or regulation.
- 4.3. Independent Contractor. Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer / employee between the parties. The Awardee shall at all times remain an "Independent Contractor" with respect to the services to be performed pursuant to this Agreement. The Grantee shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Worker's Compensation Insurance, as the Subrecipient is an Independent Contractor.
- 4.4. Hold Harmless. The Awardee on behalf and all of its agents and employees, hereby fully releases and discharges the Grantee, and all of its agents and employees, from any and all liability or responsibility for any injury, loss or damage whatsoever occasioned by the Awardee's performance or nonperformance of the services or subject matter called for in this Agreement. The Awardee shall be wholly responsible for its employees' and agents' acts or omissions that result in any loss or damage to any property or injury to any person arising out of or connected with the operation of this Agreement. The Awardee's obligations pursuant to the foregoing shall survive the expiration or termination of this Agreement.

Indemnification – Third Party Claims

Notwithstanding any limitation in this agreement, and to the fullest extent permitted by law, if Subrecipient contracts with any other contractor or vendor for any part of the work required under this Agreement, then the Subrecipient shall incorporate into its contract with such contractors or vendors a provision that states Subrecipient's contractors shall defend and hold harmless Indemnitees for and against any and all suits or claims of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) by a third party which are attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property arising out of or in connection with the Subrecipient's contractors' actions or the goods or services acquired hereunder from Subrecipient's contractors or caused in whole or in part by any act or omission of Subrecipient's contractors, or their subcontractors, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnatee, and whether or not such claims are made by a third party or an Indemnatee; however, if an Indemnatee's negligent act or omission is subsequently determined to be the sole proximate cause of a suit or claim, the Indemnatee shall not be entitled to indemnification hereunder. Subrecipient's contractors shall be given timely written notice of any suit or claim. Subrecipient's contractors' obligations hereunder are in no way limited by any protection afforded under workers' compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph shall survive termination, cancelation, or expiration of the parties' agreement. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance. As used in this clause, "Indemnitees" means the State of South Carolina, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees. [07-7B100-2]

(b) Coverage must include claims for:

(i) information security risks, including without limitation, failure to prevent unauthorized access to, tampering with or unauthorized use of a computer system; introduction of malicious codes, computer viruses, worms, logic bombs, etc., into data or systems; or theft, damage, unauthorized disclosure, destruction, or corruption of information in whatever form;

(e) Coverage shall have limits no less than one million (\$1,000,000.00) dollars per occurrence and five million (\$5,000,000.00) dollars aggregate.

(f) If the insurance required by this clause is procured on a form affording "claims-made" coverage, then (i) all limits stated above as "per occurrence" shall be understood to mean "per claim" or "per occurrence," as is consistent with the terms of the "claims-made" policy; and (ii) such claims-made insurance shall provide for a retroactive date no later than the date the contract is awarded.

(g) All terms of this clause shall survive termination of the contract and shall continue until thirty (30) days past the final completion of the work, including the performance of any warranty work. In addition, contractor shall maintain in force and effect any "claims-made" coverage for a minimum of

two (2) years after final completion of all work or services to be provided hereunder. Contractor shall purchase an extended reporting period, or "tail coverage," if necessary, to comply with the latter requirement.

All certificates are to be received and approved by the Procurement Officer before work commences. The Awardee reserves the right to require complete, certified copies of all required insurance policies, including policy declarations and any endorsements required by this section, at any time.

(k) Should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions. (m) Any deductibles or self-insured retentions must be declared to and approved by the Awardee. The Awardee may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. - 4.12. Subject to Funds Availability. This Grant Agreement is subject to the appropriation and availability of State or Federal funds. In accordance with 24 CFR Part 58, recipients, owners, developers, sponsors or any third-party partners cannot undertake any physical actions on a site, commit, expend, or enter into any legally binding agreements that constitute choice-limiting actions for any HUD or non-HUD funds before the environmental review process has been completed and, if required, the Grantee has received a Release of Funds from the State. Choice-limiting actions are defined by HUD as expenditure of funds or entrance into a legally binding agreement for property acquisition, demolition, movement, rehabilitation, conversion, repair or construction. Any violation of this provision will result in the automatic denial of this funding request (or de-obligation of the CDBG funds, if already awarded).
