

SC Office of Resilience ARPA-funded Stormwater Infrastructure Program

The South Carolina General Assembly appropriated American Rescue Plan Act (ARPA) funding to the South Carolina Office of Resilience (SCOR) for projects that **will lessen the impact of flooding**. Through SCOR's Stormwater Infrastructure program, \$55 million is available to counties, cities, and towns to carry out stormwater infrastructure projects.

Who can apply?

Counties, cities, and towns in **all 46 counties of South Carolina** are eligible to apply. Projects can be state-run or run by the subrecipient. **SCOR does not require a local cost share.**

What types of projects are eligible?
