

Was your home or community impacted by Hurricane Helene?

Still have repairs or other disaster-caused needs?

The South Carolina Office of Resilience is administering a \$150M Community Development Block Grant – Disaster Recovery program, a federal grant from the U.S. Department of Housing and Urban Development. The public is invited to provide input on the Action Plan, which outlines how this funding will be spent, and apply to SCOR for housing and other disaster recovery assistance. Additionally, SCOR intends to spend all allocated funds to benefit low- and moderate-income residents.

Housing

- The rehabilitation, replacement, or reconstruction of single-family homes.
- Rehabilitation of affordable rental housing.
- Voluntary buyouts of houses in the floodplain or those that have been repetitively flooded.

Mitigation

Programs to reduce the impacts of future disasters:

- Infrastructure
- Voluntary Buyouts
- Plans & Studies
- Matching funds for other federal mitigation grants

Who is eligible?

Low to moderate income homeowners, and rental property owners in the following counties can apply directly with SCOR for housing recovery: **Abbeville, Aiken*, Anderson*, Cherokee, Edgefield, Greenville*, Greenwood*, Laurens*, McCormick, Oconee, Orangeburg, Pickens, Saluda, Spartanburg*, Union.**

**80% of CDBG-DR funds must be spent in these counties*

Cities, towns, counties, councils of government, and state agencies in the following “most impacted and distressed” counties may apply for mitigation funds: **Aiken, Anderson, Greenville, Greenwood, Laurens, Spartanburg.**

Have other disaster related unmet needs? Need help navigating resources? SCOR has a team of disaster case managers to connect you to recovery resources.
